

An aerial photograph of a large body of water, likely a lake or bay, filled with numerous small, dark, forested islands. The sun is low on the horizon in the upper right corner, casting a warm, golden glow across the sky and water. The water reflects the sunset colors, and the islands are silhouetted against the lighter sky. The overall mood is serene and scenic.

PREDATOR 57 MKII

SEEK MORE

*We believe that to stop seeking
in life is to stop living.*

*Which is why we never let the sun set
without knowing we've looked for more.*

The most innovative design.

Exhilarating engineering.

Jaw-dropping performance.

Breathtaking attention to detail.

*Motoryachts to make the heart
race and the soul sing.*

*By daring to go where others
don't, we'll take you to places
others only dream of.*

*To do this, we constantly
seek perfection.*

*And then, when we think
we've found it?*

We Seek More.

DEFINING AN ERA

*Sunseeker is a name revered the world over.
Born from a passion for powerboat racing in 1969 and
an obsession to be the best, the Hostess 17 was created.
A small open speedboat that changed everything.
Robert and John Braithwaite had created a boat that set a
new standard.
And even though that was nearly half a century ago, its
roots are ever-present in everything we do today.
It's about unrelenting passion, imagination and innovation.
About the courage to be daring, to be different and
to always seek a better way. To always seek more.
That vision is now shared by over 2,400 employees and in
every one of the 120 Sunseeker retail and service locations.
And they carry the Sunseeker name in everything they do
today and tomorrow.*

AHEAD OF OUR TIME

We haven't stayed in front by looking backwards. We're always looking ahead.

Always looking forward for new ways to push the boundaries of technology and ourselves. It begins at the core of the build. The hull. Computational Fluid Dynamics (CFD) has now become a key part of our design process. Allowing us to experiment with variations of hull shape to ensure we get the performance in the water we're renowned for.

It's the type of technology not uncommon in motorsport design.

We use it to allow our designers to assess sea-keeping, fuel economy, ride quality and try different drive systems and power options before construction even begins.

And this is just the beginning. This innovation continues throughout the build.

In every step, from a 3D CAD design, to carbon-fibre technology, resin infusion and direct tooling methodologies. It's how we stay in front. It's what we're renowned for.

A HERITAGE OF DETAILS

There are some things that never change. No matter how far we come to the cutting edge, there is no machine or auto assembly that can compare to generations of true craftsmanship.

Those highly skilled masters of painstaking detail that nothing can replicate. It's why we use no substitute when it comes to our carpentry, cabinet-making, engineering, upholstery and more. We know our customers appreciate the finest of details. And we know these details can only come from true artisans.

A LIFE UNLIMITED

Every Sunseeker is unique from the crowd.

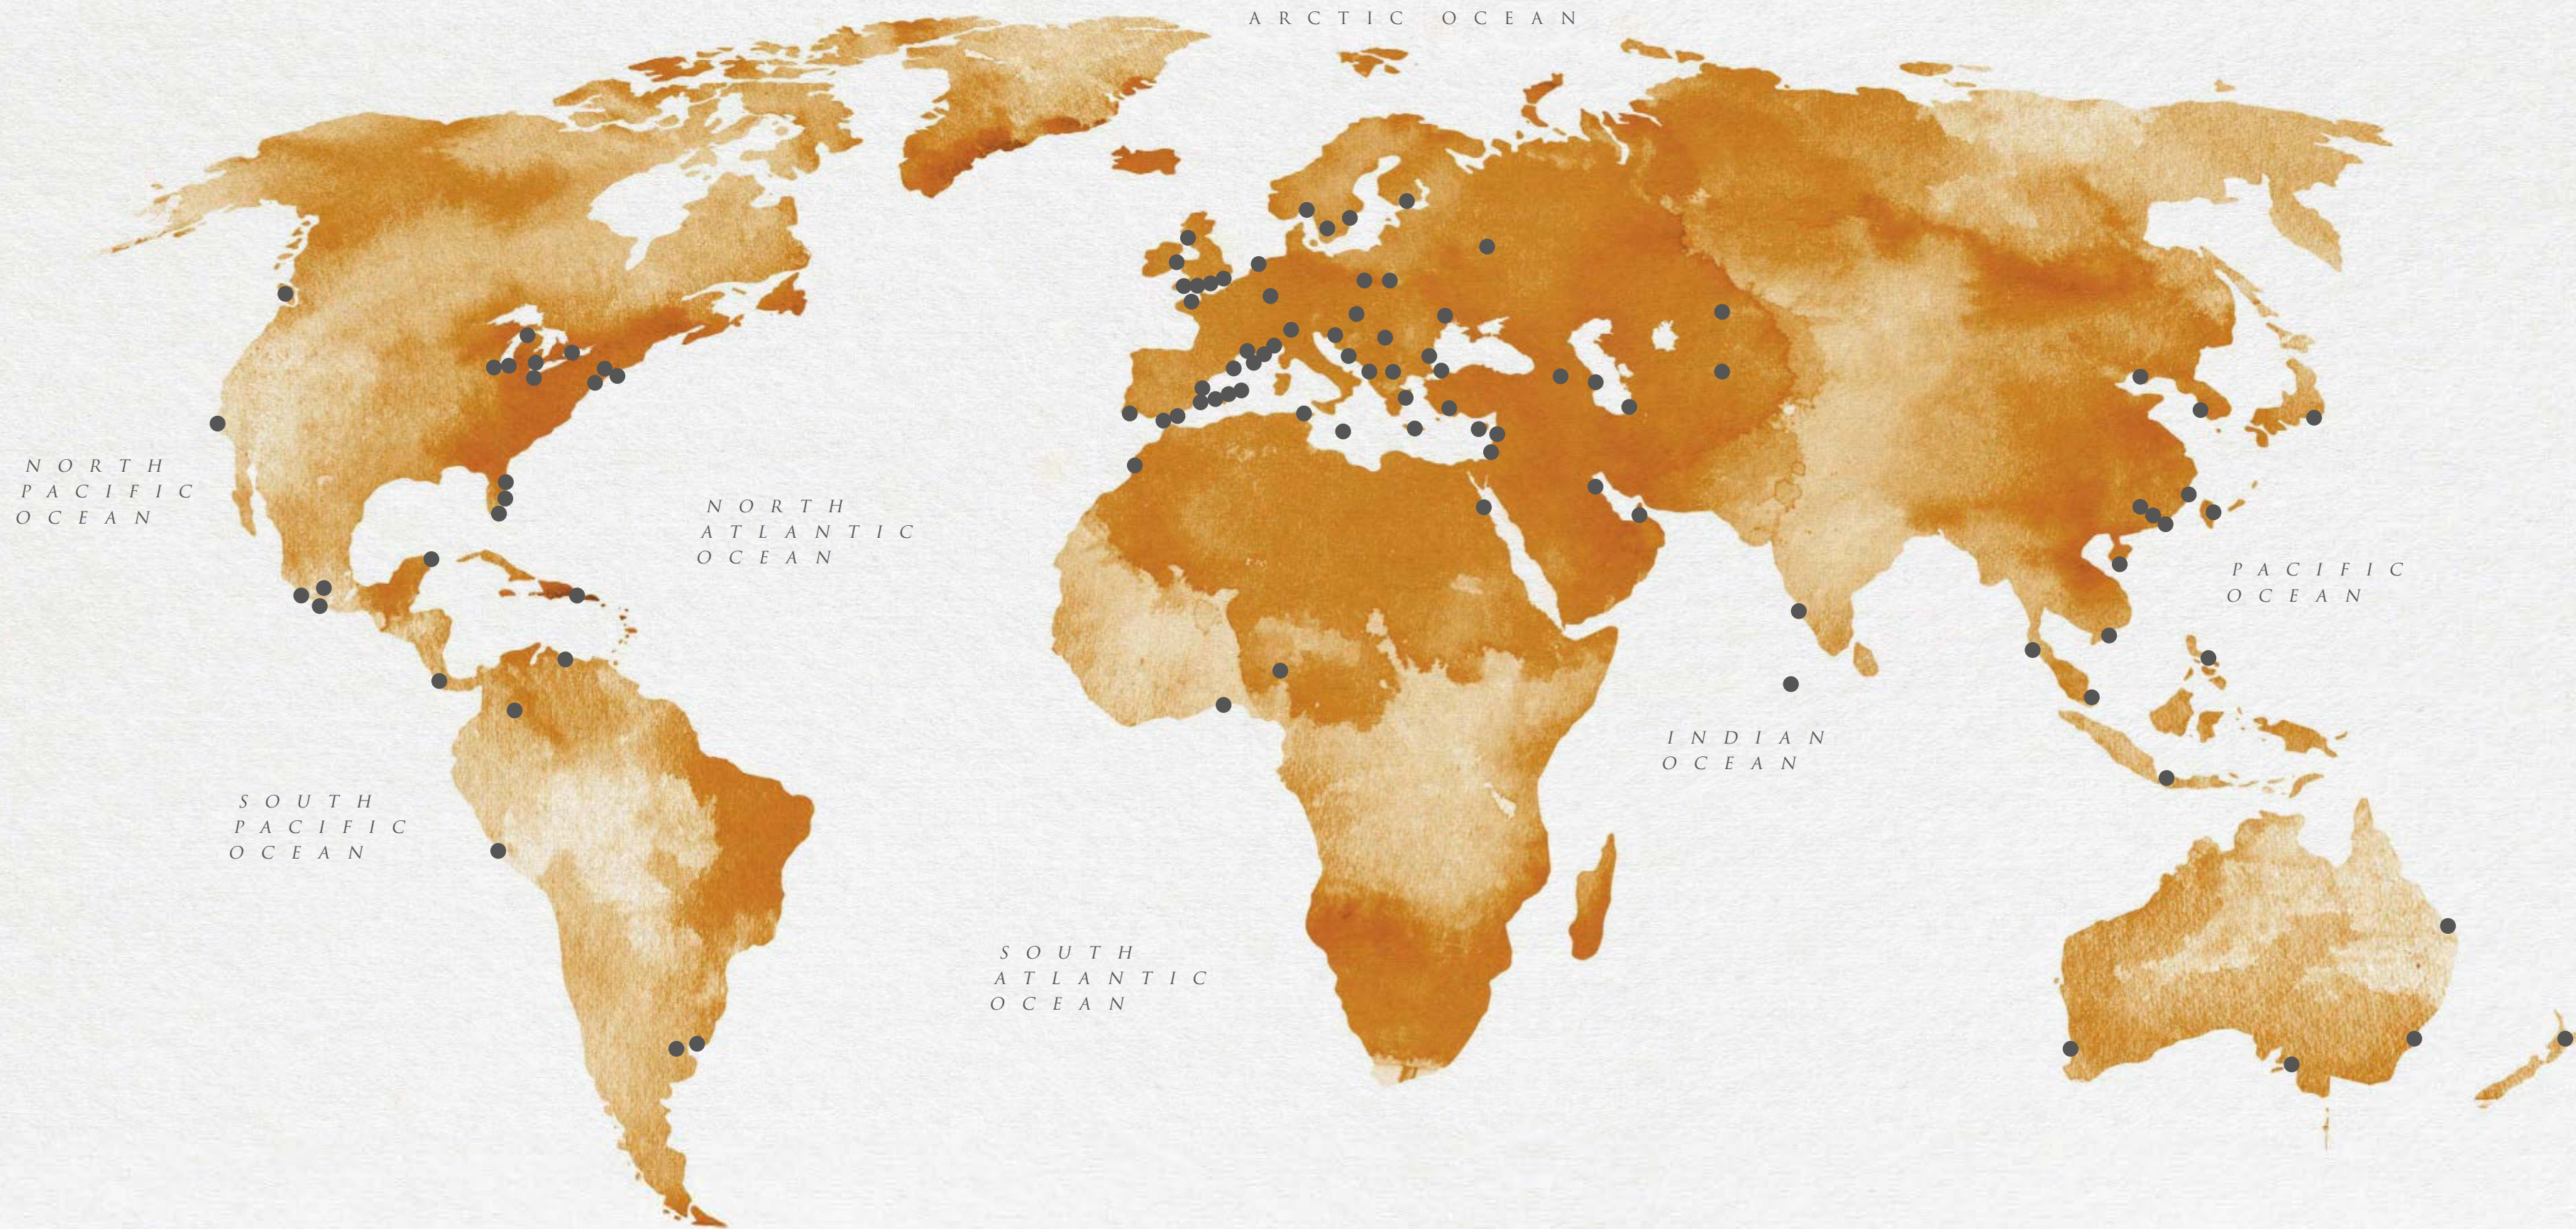

*It's what makes them stand out.
It's what makes them recognised and
revered the world over.*

*But when our customers want something
even more distinctive, they can create a
Sunseeker that reflects their tastes and
lifestyle perfectly.*

*Because to them, it's more than a yacht –
it's creating a deeply personal space.
A space that will enhance each day.*

*Working with our in-house team, our
customers can create a yacht which is
truly their own. From choosing upholstery
and fittings, to optional floorplans and
arrangements, it can all be made to
measure for them and them alone.
Translating their ideas into their
very own vision of perfection.*

BEYOND BOUNDARIES

We've never believed in boundaries.

In the way we build our yachts.
In the way we see the world.

We started breaking them when
we built our very first boat.

And this spirit is instilled within
every yacht we make today.

The desire to seek more.

Being the UK's largest boat
manufacturer has not diluted this.
In fact, it's deeper than ever.

You'll find it in over 120 Sunseeker
retail and service locations, across
five continents and 74 countries.

STANDARD
SPECIFICATIONS

1 Construction

Hand-laid GRP

Gel coat including stripes

Vinylester skin coat with powderbound mat

Stitched multi-axial reinforced single-skin bottom

Balsa-cored hull topsides

PVC foam-cored deck and superstructure

Hull stiffened with longitudinal stringers supported
by transverse bulkheads and floors

2 Deck

Fittings all in stainless steel

8 x deck cleats in stainless steel

Delta anchor and 60 metre chain (galvanised)

Electric winch and capstan 24v with deck and helm
controls 24v

Stemhead roller and anchor stop

Self-draining chain locker-fender stowage

Pulpit and cockpit rails in stainless steel

Stainless steel fendering with rubber insert

IMCO navigation lights

2 x pantograph wipers 24v, windscreen washers

Ensign staff and socket

6 x fenders and 4 warps

Remote spotlight 24v

Curved safety glass windscreen

3 Bathing Platform

Hydraulic fall and rise system

Fresh water marina connection

Dockside AC shore power connection

Hot and cold swimming shower

Teak-laid bathing platform

Foldaway stainless steel swimming ladder

4 Aft Cockpit

Self-draining

Large sunbed

Garage to house owners tender

Wetbar with refrigerator

Sink with hot and cold water

Upholstered seating with stowage underneath

Teak cockpit table on stainless steel leg

Stern safety gate

Engine room access hatch

Overhead lighting 24v

Low-level lighting 24v

Teak-laid cockpit and steps

Cockpit speakers

Boat hook

Hand-held fire extinguisher

5 Deck Saloon

Seating group with storage below

Dining table

Radio/CD with Bluetooth

Overhead lighting 24v

Double AC socket x 2

Stainless steel sliding cockpit door to aft cockpit

Teak-laid cockpit

Forward-facing co-pilot bench seat

Scatter cushions

6 Main Helm Console

Upholstered helm seats

Console with piano black type fascia

Hydraulic steering

Sports steering wheel

Radar/Plotter

Autopilot

Toilet 24v

Overhead lighting 24v

Opening porthole with mosquito screen and curtain

Double AC socket

Fitted carpet

15 Engine Compartment and Ancillaries

Soundproofing throughout

Aluminium fuel tanks with electric sender units

Fuel filters/water separators to engines

Fuel filters/water separators to generators

Automatic bilge and flood pumps with high-level alarms

Generator exhaust silencers and water separators

Engine exhaust dry risers and water injection

Strainers to all raw water inlets

Power steering – hydraulic control steering

Garage door and lifting platform

Hydraulic control unit

Trim tab hydraulic power unit

Air intakes fitted with emergency shutdown flaps
(automatically operated)

Air distribution fans (DC)

Air extraction fans (DC) fitted with butterfly
shutdown dampers

Exhaust gas temperature sensor

Engine room fire extinguishing system (FM200)

16 Electrical System

Generator with underwater silent exhaust

AC dockside connection

Main DC and AC electrical circuits protected by

re-settable circuit breakers

Systems monitoring panel

Galvanic isolator

4 x batteries for engine starting 24v circuit

4 x batteries for domestic power 24v circuit

Battery coupling system

Battery switches controlled from locker in cockpit

Alternator split-charging system

Battery charger for 24v circuits

Water heater

Electrical AC sockets throughout the boat

Electric bow thruster

17 Underwater Gear

Bow thruster – electric 24v

Seawater strainers – nickel-plated bronze

Full cathodic bonding system to aluminium anodes

Hydraulic trim tabs – stainless steel

Propeller shafts – Temet 25

High performance rudders – AB2

P-brackets – NAB nickel aluminium bronze c/w water

lubricated bearing

Self-aligning shaft seal including spare seal

5-blade AB2 bronze propellers

18 Systems

Hydraulic power steering

Electric toilet system with integral macerator (24v)

Toilets discharging to black water tank

Black water tank discharging to dockside or overboard

Polyethylene fresh water tank with electric sending unit

Aluminium fuel tank with electric sending unit

Water pressure system (24v)

Hot water tank with immersion heater (AC)

Washbasins and showers drain to sump box

Sump box automatically discharging overboard

Bilge pumping system (24v)

Manual/automatic fire extinguishing system combined with

engines, generators and fans shutdown

Auxiliary hydraulics for garage door and trim tabs (24v)

19 Miscellaneous

Toolkit

Boat hook

4 x mooring ropes

6 x fenders

2 x towel sets

Optional Extras

Air conditioning

Hydraulic gangway

Stern thruster

SEEK STYLE

For those seeking style both on and off the water, the Sunseeker Collection offers a compelling range of high-performance apparel and accessories available to purchase from a Sunseeker retailer or online at shop.sunseeker.com

MAKING A DIFFERENCE

Here at Sunseeker, we have as much commitment, care and attention when it comes to our yachts as we do when it comes to our environment and our broader society. That's why we have teamed up with Macmillan Cancer Support to assist families coping with cancer, and the Blue Marine Foundation who are striving to protect our oceans. With your invaluable support, we can and will make a difference.

**WE ARE
MACMILLAN.
